4

Next you will see the Plaid screen. Plaid is the most secure way to connect your bank account electronically. We do not share or store any banking credentials. Please click continue.

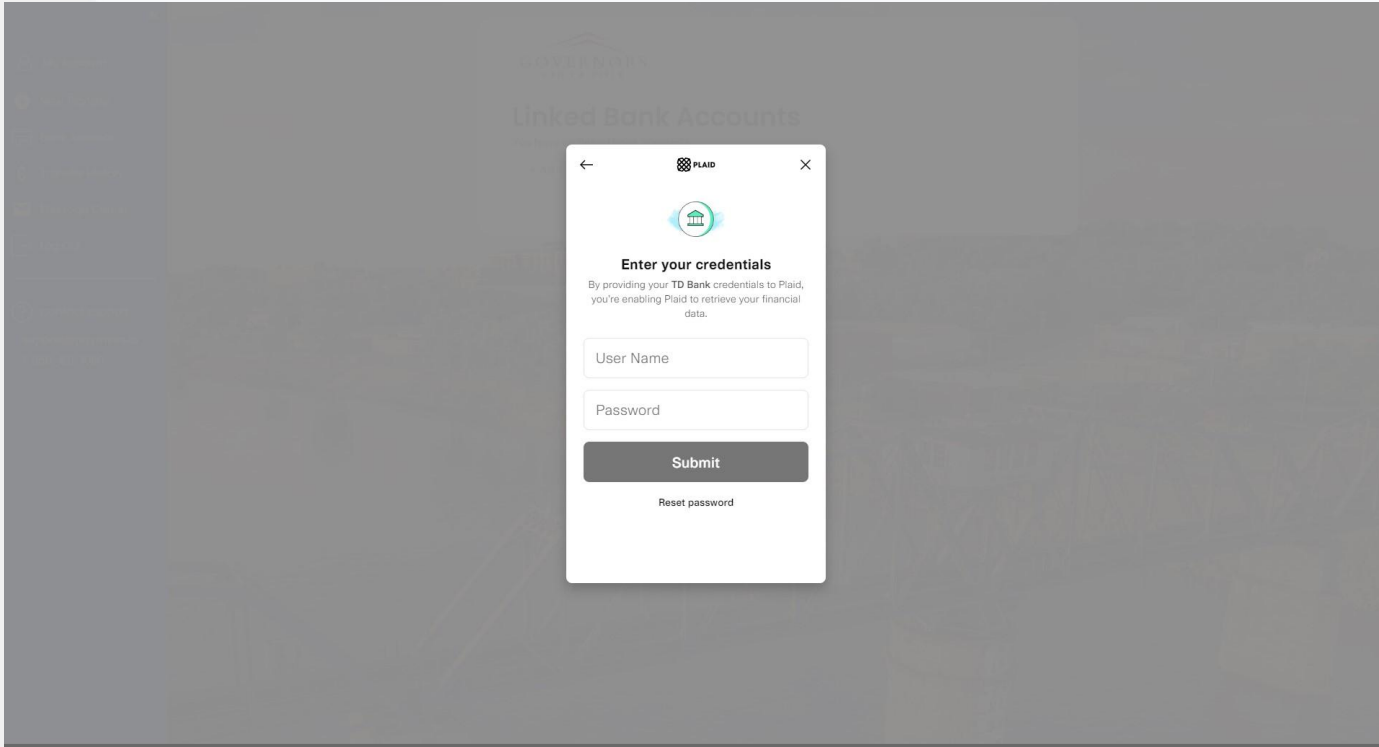

5

Plaid allows us to connect to over 16,000 financial institutions. What you will first see are the most banks used on our platform. If you do not see your bank click in the search bar and type in the name of your bank. Select your financial institution.

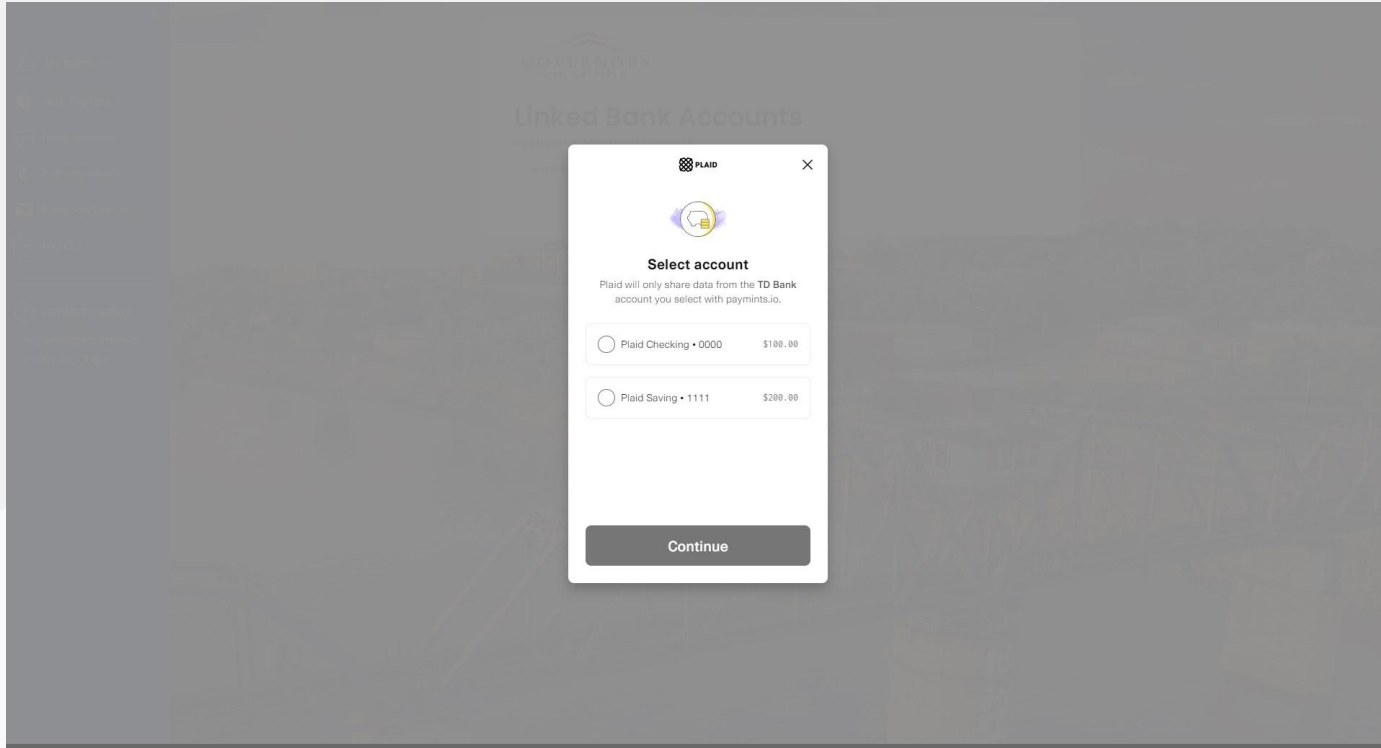

6

After you have selected your financial institution, log in to your bank using your online banking credentials. This will allow you to view all of your accounts which are eligible to make a transfer on our platform.

7

Please select the account that you would like to use to make the transfer.

8

Once your account has been selected please click "Continue".
